

Jungbunzlauer

first choice for food experts
worldwide

Jungbunzlauer is one of the world's leading producers of biodegradable ingredients of natural origin.

We specialize in citrics, xanthan gum, gluconates, lactics, specialties, special salts and sweeteners for the food and beverage industry enabling our customers to manufacture healthier, safer, tastier and more sustainable products.

Due to continuous investments, state-of-the-art manufacturing processes and decades of experience we meet the highest quality standards.

Our mission "From nature to ingredients®" commits us to the protection of people and their environment.
