

# Kikkoman®

# Asian Flavor Made Easy

Now more than ever, the culinary spotlight is on Asia. Do you know how to develop your product formulations to capture the increasing appeal of popular Asian flavors?

As the world's best-known Asian food brand—and one with a knowledge base that you can build on—Kikkoman should be your first call when Asian inspiration strikes. With the food industry's broadest range of liquid and dehydrated soy sauces, seasonings and flavor enhancers, Kikkoman is your key to Asian flavors.

## The Soy Sauce Leader

Kikkoman has more than 300 years of experience brewing soy sauce—the quintessential Asian flavor ingredient. Our traditionally brewed soy sauce is available in many functional forms. From liquid, dehydrated and granulated to less sodium, gluten-free, preservative-free, non-GMO and clear, our lineup offers a solution for every formulation and production challenge.

## The Soy Sauce Leader

	Liquid Products	Dehydrated Products
SOY SAUCES	<ul style="list-style-type: none"> <li>Soy Sauce</li> <li>KIS Soy Sauce (lighter flavor soy sauce)</li> <li>Preservative-Free Soy Sauce</li> <li>Less Sodium Soy Sauce</li> <li>Preservative-Free Less Sodium Soy Sauce</li> <li>KF PF Soy Sauce</li> <li>Premium PTN Soy Sauce (higher total nitrogen than regular soy sauce)</li> <li>Premium PTN Less Sodium Soy Sauce (higher total nitrogen with less sodium)</li> <li>Gluten-Free Tamari Soy Sauce</li> <li>Gluten-Free Less Sodium Tamari Soy Sauce</li> <li>PK-56 Clear Soy Sauce</li> <li>Tamari Soy Sauce</li> <li>Organic Soy Sauce</li> </ul>	<ul style="list-style-type: none"> <li>Dehydrated Soy Sauce (various options available)</li> <li>Granulated Soy Sauce</li> <li>Granulated Gluten-Free Tamari Soy Sauce-NGP</li> <li>Granulated Soy Sauce KF-NGP</li> <li>KFRS-50 (contains 50% less sodium than KF-1 dehydrated soy sauce)</li> </ul>
SODIUM REDUCTION SOLUTIONS	<ul style="list-style-type: none"> <li>Less Sodium Soy Sauce</li> <li>Preservative-Free Less Sodium Soy Sauce</li> <li>Premium Less Sodium Soy Sauce (PTN-LS) (contains higher total nitrogen and 45% less sodium than PTN soy sauce)</li> <li>Gluten-Free Less Sodium Tamari Soy Sauce</li> </ul>	<ul style="list-style-type: none"> <li>KFRS-50 (contains 50% less sodium than KF-1 dehydrated soy sauce)</li> </ul>
